Admissions Policy

At St Thomas' Preschool it is our intention to make our setting accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Procedures

We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community. We ensure that information about our setting is accessible, in written and spoken form and, where appropriate, in more than one language. We will provide translated written materials where language needs of families suggest this is required as well as access to an interpreter, where possible.

Admissions Criteria

1. Children aged 2.5 years or more and will have a sibling at the playgroup
2. Children aged 3 years, living in Islington
3. Other children aged 3 years
4. Children aged between 2 and 2.5 years and will have a sibling at the playgroup
5. Children aged 2.75 years or more, living in Islington
6. Children aged 2.5 years or more, living in Islington
7. Children aged 2 years, living in Islington

See on next page for details of free 2 year old places and 30 free hours eligibility. Please note that parents who are entitled to the 15 and 30 free hours will be asked to pay a top up fee towards consumables.

All criteria assessed as at the date of admission

Islington means the London Borough of Islington

In the event of there being more than one eligible child in a category, priority will be given to the child who lives nearest to the playgroup, as measured in a straight line from the St. Thomas's Road entrance.

Timings

Applications for admission at the start of the Autumn term must be received by May 1st.

Applications for admission at the start of the January term must have been received by the

preceding November 1st. Applications should be made using the [application form](#), which is available from the playgroup and can be downloaded from the playgroup's website.

Parent/Carer Involvement

Applicants are reminded that all parents are expected to get involved in the running of the playgroup and to attend committee meetings and fundraising events. Please think carefully about your ability to get involved before applying for a place for your child. Parents' contributions to the playgroup will be taken into account when considering their application.

The Preschool Setting

We describe our setting and its practices in terms that make it clear that it welcomes both fathers and mothers, other relations and other carers, including childminders.

We describe our setting and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, ethnicity or from English being a newly acquired additional language.

We describe our setting and its practices in terms of how it enables children and/or parents with disabilities to take part in the life of the setting.

We monitor the gender and ethnic background of children joining the group. We make our Equal Opportunities Policy widely known.

We consult with families about the opening times of the setting to ensure we accommodate a broad range of family need.

We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.

Any offer is made at the absolute discretion of the Playgroup Leader and the Admissions Officer.

Eligible Two Year Olds in Community or Marketed Places and 30 Free Hours Entitlement

Eligible Two Year Olds in Community or Marketed Places

Guidance and Claim form

Guidance for children's centres and grant-aided voluntary sector nurseries

1. Introduction

The council subsidises the cost of childcare in its 16 children's centres and in 15 voluntary sector nurseries. The aim of the childcare subsidy is to support working parents to sustain and/or increase their employment through providing access to local high-quality affordable childcare.

2. Children's centres

In children's centres, all places are subsidised to varying degrees. One third of places are reserved for children in need, placed by the Early Years Priority Referral panel. About 10 – 12% of places are offered at the highest rate to parents who are able to pay the full charge, and are known as marketed places. The remaining places are available to local Islington-resident parents using a fixed set of charging bands, calculated according to family income. These are known as community places.

3. Voluntary sector nurseries

Voluntary sector nurseries receiving grant-aid from the council provide subsidised community places, with charges calculated according to family income. Each grant-aided setting has a fixed proportion of places, set annually by the council, which must be offered on this basis.

Free early learning for 2 year olds

Some children's centres and voluntary sector nurseries also offer places for 2 year olds eligible under the [national entitlement to funded early learning](#). Children from low-income families who meet the criteria for Free School Meals, or whose parents work and earn less than £16,190 p/a are eligible. Children looked after or adopted, children of asylum seekers, and children with high level SEND are also eligible. These places are offered by providers in addition to any existing subsidised community or marketed places.

Subsidised places cannot be 'converted' to places for funded 2 year olds without prior agreement in writing from the council.

1. Allocating subsidised places

- 1.1. Under the [Early Years Admissions Policy](#), council-subsidised childcare places for children under 3 should be offered to parents in full-time work or study. **2 year olds eligible under the welfare benefits criteria should not be offered subsidised places** other than in very exceptional circumstances which must be agreed in advance by the council (for example, if a child in need requires the place and all EYPR places are full).
- 1.2. Some working parents/carers earning less than £16,190 could be eligible under the welfare benefits criteria (Working Tax Credits), if their child was admitted under the normal admissions procedures. This is the only time a community or marketed place would be allocated to a child known to be eligible for the 2YO funding.

2. High demand from parents of eligible 2 year olds

- 2.1. As subsidized places for 2 year olds are in such high demand, we are unable to offer places to 2 children from the same family to attend at the same time, unless there are no other applicants.

3. Eligible 2 year olds in subsidised and non-subsidised places

- 3.1. Occasionally there are cases where a child in a community or marketed place becomes eligible for funded hours, or it comes to light that the child has been eligible for funded hours and parents have been paying unnecessarily. For example:
 - child in a community place is found to be eligible because parents are working but on a low income (less than £16,190) and have been paying the weekly rate for the place
 - child in a subsidised or non-subsidised place is found to be eligible because they meet the adoption or SEND criteria
 - child who has been attending the setting as an under 2 reaches eligible age and is found to be eligible
 - child's place has previously been funded by the parent(s)' adult learning provider and the child becomes eligible for government-funded hours (placements cannot be double-funded)
 - circumstances / family income changes and the child becomes eligible
 - child is placed by the EYPR panel in a community/non-subsidised place because no EYPR place is available, and is subsequently found to be

eligible

- 3.2. Once proof of the child's eligibility has been seen and the child is of eligible age, children's centres and nurseries must ensure that parents receive their statutory entitlement of 570 hours per year of early education, proportionate to the remainder of the year. This number of hours is equivalent to 15 hours per week, term time only and must be deducted from the child's childcare account. If children are in community or marketed places, this leads to a loss of income for the setting due to the reduction in payment from the parent(s).

Claiming for loss of income

1. Community and marketed places

- 1.1. In circumstances such as those described in 2.4 above, children's centres and nurseries can apply to the council to receive compensation for the loss of income. If agreed, the council will usually cover the loss of income from the time eligibility became known, although back-dated funding may be considered in exceptional circumstances. Funding must be passed on to parents if they have already paid for childcare costs. Parents must continue to pay for any hours taken up in addition to those they are entitled to under the funded early learning offer, at the appropriate rate according to their income.

2. How funding will be calculated

- 2.1. If agreed, the provider will be reimbursed at the lowest (band 1) rate in respect of the number of hours offered free to parents. The band 1 rate will be applied in all cases, regardless of the rate parents have been paying

3. Early Years Priority Referral (EYPR) places

- 3.1. No claims can be made for EYPR places as these are already funded, with no impact on income targets.

4. When to make a claim

- 4.1. Once you are aware that there will be a loss of income please note:

- 4.2. You can only claim for one term at a time, new claims can only be submitted **two weeks** before each headcount and the deadline will be **two weeks** after each headcount day. **All** claims are subject to the following:

- The child became eligible / eligibility became known after s/he started at the setting
- The child is in a community or marketed place and parent(s) have been paying until the point at which the child became eligible / the provider became aware the child was eligible
- Parent(s) have completed an eligibility check and the provider has seen proof of eligibility in the form of a letter or email from the council to the parent

5. Conditions of funding

- 5.1. If the council agrees to compensate the centre for the loss of income, this funding is provided on the condition that:

- the child is accurately entered onto the headcount as an eligible 2 year old, in order that the council can claim government funding for the child's place
- for settings who provide funded early education for eligible 2 year olds, the child is 'moved' from their existing place to a funded place as soon as possible
- for settings who do not provide funded early education places for eligible 2 year olds, the place reverts back to its original type (community or non-subsidised) as soon as the child leaves the setting or progresses to a 3 year old place, whichever is soonest
- the provider signs an agreement in respect of funded early education for 2 year olds, if requested by the council

6. How to make a claim

- 6.1. The provider should make a claim by completing the relevant the claim form, which is attached below.

7. A successful claim

7.1. You will be notified of the outcome by email.

8. Who to contact

8.1. If you have any queries about the above information, please contact Teshale Joba, Principal Finance Officer, Teshale.Joba@islington.gov.uk / 020 7527 5884 or Sandra Coleman, Early Years Bursar, Sandra.coleman@islington.gov.uk /020 7527 4828

Please complete the information below and return to **Theresa Lartey, Early Years Finance, 2nd floor Laycock Centre, Laycock Street, Islington N1 1TH** Theresa.Lartey@islington.gov.uk

Please note: claims can only be made if **all** of the following apply:

- The child is included on the headcount return for the term(s) for which funding is being claimed
- The child became eligible / eligibility became known **after** s/he started at the setting **or** the child was allocated a community place under normal admissions procedures and meets the 2YO eligibility criteria because parents receive Working Tax Credit and earn less than £16,190 per year
- You must ensure that parents receive their statutory entitlement of 570 hours per year (equivalent to 15 hours per week) of early education, proportionate to the remainder of the year.
- The child is in a community or non-subsidised place and parent(s) have been paying until the point at which the child became eligible / the provider became aware the child was eligible. No claims can be made for children in EYPR places as these are already funded with no impact on income targets
- Parent(s) have completed an eligibility check and the provider has seen proof of eligibility in the form of a letter or email from the council to the parent
